

# AUSTRALIAN SUMMER STONEFRUIT ORDERING GUIDELINES

When placing an order for summer stonefruit from Australia, importers need to provide the following information:

**Product:**

- Fruit type (peach, nectarine, apricot, plum)
- Flesh type (white, yellow, black, red)

**Timings:**

- Timing will be dictated by variety type as most varieties are available for one month only

(For variety types, please refer to the Australian Summer Stonefruit Varieties Table or speak to your exporter.)

**Quantity:**

- Single layer tray (by count and usually around 4kg in weight)
- 10kg bulk fill carton (by weight)

**Freight type:**

- Air freight LD3
- Shipping container
